

Women's Royal Naval Service Benevolent Trust

70TH Anniversary Commemorative Book

April 2012 will mark the 70th anniversary of the WRNS Benevolent Trust which is still helping former Wrens who find themselves in need or distress. To mark this special occasion the Trust will be publishing a history of its work over the decades illustrated with pictures of Wrens at work and play which have been donated by our members.

Over those decades the WRNS BT has helped over 12,000 former members of the WRNS both in the UK and overseas, and still plays an important part in the lives of our beneficiaries – in 2010, we helped 408 women with £341,930 in annual and one off grants.

The book will be launched at our 70th AGM and Anniversary Reception on May 22nd 2012.

Details on how to book tickets for our AGM and to purchase the book will be available on our website
